Dear Mr Douglas

**RE: Petition to Council –Western Adelaide Coastal Residents Association – Development Henley Beach**

We acknowledge receipt of your petition regarding residents concerns over proposed development in Henley Beach, which was formally received by Council at its meeting on 27 June 2011.

The issues that you have raised in your presentation will be taken into consideration in the revision of the Henley Square Master Plan and the Section 30 Development Plan review. At its meeting on 23 May 2011, Council considered a report relating to the Henley Square and Environs Master Plan Review (Item 6.97) and resolved as follows:

- "1. That Council agree in principle to the formation of a Community Reference Group (with all Councillors to be invited as observers) to work with staff and Council in reviewing the Henley Square and Environs Master Plan.*
- 2. That the Terms of Reference and membership for the Community Reference Group be determined through a collaborative approach and be reported back to a future meeting of Council."*

We aim to commence this process in the next couple of months and look forward to your active involvement in the process.

As you are the co-ordinator for the petition, it would be appreciated if you could notify the other signatories to the petition of this action.

Yours sincerely
